FAQ

What are the key safety measures and access conditions?

We are pleased to inform that the vaccine pass is not mandatory anymore to access MAPIC. We look forward to welcoming everyone to the event where we are committed to providing you with the safest possible exhibition and conference environment (for further info, please read our detailed information).

We are working with our colleagues at RX (Reed Exhibitions), French national and host city authorities and specialist medical advisors to build a coherent and consistent programme of advanced measures to ensure MAPIC has health and safety measures as its number one priority.
