LIST OF RETAILERS

LEISURE AND FOOD PLAYERS COMING IN 2022

NEW this year: Join the retail Village!

The Retail Village is bringing together new rising retail concepts, digital markets places, fast delivery specialists, DNVBs.

DISCOVER THE EXHIBITING RETAIL CONCEPTS

La Redoute is a French family-owned group driven by the same ambition: to continue to develop a leader in physical and digital retailing, with French roots and international reach.

Slim Freddy's is a fast food restaurant, allowing you to try several types of burgers in the same order and offering simple combinations of fresh products. The cooking technique guarantees the best taste quality without any added fat.

Kilo Shop concept is based entirely on the recycling of vintage clothing which is given a second life in Kilo Shop boutiques! It offers a different, more sustainable way of consuming.

Place des oliviers is a space dedicated to petanque with a setting of a village of Provence. An original concept with a relaxing catering area for both professionals and individuals.

F45 Training is an Australian fitness concept and community specialising in innovative, high-intensity group workouts that are fast, fun, and results-driven.

Viti Vinci is a Spanish concept growing aromatic and medicinal plants on their coastal sanctuary in Mallorca. The plants are picked by hand in harmony with natural cycles and then distilled by their scent scientists into exclusive, luxury fragrances.
