**Le Club Café** is a French-style coffee / fast food restaurant launched in 2004 offering both savory and sweet options: hot dishes, quick snacks such as sandwiches, toast or salads, pastries, desserts and a wide range coffee shop. Gourmet recipes, to be enjoyed at any time of the day.

**Spartoo** is an online store for fashion, shoes, leather goods and small decorative objects originally based in Grenoble, France and launched in 2006. In 2015, Spartoo made a cross-channel shift by opening its first physical stores.

**La Fabuleuse Cantine** is a food concept fighting against the food waste. They collect the unsold ingredients that would have generally been thrown away because of the "best before" deadline and transform them in a delicious meal and a creative kitchen.

**La Fabrique - Cookies** is a food concept of appealing cookies made with bio and local ingredients. Several boutiques and a willingness to develop through a franchise network, one e-shop and a click and collect service.

**Adopt** is an unique concept combining three worlds: perfume, make-up and fashion accessories. An accessible beauty, which is part of a qualitative and demanding approach.

**Toasushi** is a concept of Japanese food: on the spot, to take away, delivery and click&collect. Qualitative, demanding and creative, the toasushi franchise concept asserts strong values, from the product to the restaurant and internal support teams.
